Hello God, Is This Really You: Discernment for the Decisions of Your Life

Do you have BIG decisions to make and wish God would rent a billboard to tell you what He thinks? Have you tried several of the “God’s will” ways out there and still find yourself asking, “God, which way is your way?”

Cheri is passionate about helping people discover the freedom she has found using her six-question process for discerning God’s will. Whether Cheri shares her insights through:

- a weekend retreat
- a day seminar
- or as a guest speaker at a luncheon and book-signing

You will be set free to make decisions more confidently, pray more openly, take risks more frequently, and know God more intimately than you’ve ever thought possible.

Four Step Event Planning Process

1. Based upon your event type, choose a retreat theme or message topic
2. Contact Cheri to schedule your event. She will then send you an Event Planner’s Kit which includes:
 - Bulletin, newspaper, newsletter, and registration info to make publicity easy
 - An event planner’s checklist so all those details will be covered
 - A suggested song list for your music team, decorating ideas, and a retreat or event schedule
 - Photocopy-ready handouts, outlines, devotionals (for retreats) breakout sessions, and games
 - A speakers bio, a black and white publicity photo, references, and an introduction
3. Take the information provided in the Event Planner’s Kit and begin to publicize and register for big crowds
4. Sit back and enjoy as Cheri’s message warms the heart and her Biblical instruction makes this the best event you’ve ever had.

Additional Presentations:

(one-half to one-hour; can be combined with book-signing)

Mountain Climbing 101: God’s Way

Grab your gear as you join Cheri on a climb up God-Sized Mountain where not everything is what it seems. Along the journey you will meet two mountaineers—Esther and Elijah—and learn important lessons about how we view our awesome God. A terrific presentation for youth and young adults (and even for the young at heart). Breakout sessions are also available for this presentation.

Running the Obstacle Course: Six obstacles to hearing from God

You are in the race and running strong. You’ve heard about praying in accordance with God’s will - now if someone would just tell you what that is so you can pray it?! Cheri mixes humor and solid biblical teaching in this no-holds-barred look at six common obstacles to hearing from God. Can be combined with a book-signing for Cheri’s new book.

Recipes For Life

This presentation uses cooking terms and recipe cards to reveal the ingredients for a God-centered life. A great presentation for multi-generations.

Diamonds in the Dust

A popular seniors’ message: How to S.H.I.N.E. in the midst of life’s dust ends with the story of Joey’s Easter basket, and each guest receiving a lavender bow from Cheri. This upbeat message is a crowd-pleaser.
